Dear Mr. Dreyer:

We would like to express our over whelming gratitude to the Deerfield Beach Island Community Association for your donation of \$500. Without your support and the support of the community, we would have not been able to fill the Thanksgiving Food Baskets for the needy of the community. Your donation has helped us to continue in the fight to end hunger. You can be sure that our clients enjoyed a much better holiday meal because of your loving kindness. You are true examples of very generous hearts.

Our daily mission at Gateway is to improve the quality of life, for individuals and families. In addition, we strive, each year, to make the Holidays a time for rejoicing, rather than despairing, through our Special Touch program! Your support to help the disadvantaged in our community means a great deal to us.

We hope that this Holiday Season is a blessed, joyous and prosperous one for all of you!

Sincerely,
